19 The petitioner hereby asks this Court to vacate the case management conference in the above-

20 entitled matter, currently scheduled for February 25, 2009, in light of the following:

21 As set forth in the petitioner's status report of February 4, 2009, the U.S. Attorney's Office has
22 not been able to locate either of the respondents in order to properly serve them with the Court's
23 Orders to Show Cause, along with the petition, supporting memorandum, and supporting
24 declaration. The Immigration Judge has moved the removal hearing in Immigration Court to May
25 1, 2009, and intends to have a status conference with the parties to that proceeding to discuss,
26 among other things, whether any of the parties have suggestions for locating the respondents.

27 On February 4, 2009, in light of the fact that the status conference could potentially develop
28 information which might assist the U.S. Attorney's Office in locating the respondents, the
petitioner sought permission to submit a further status report in six weeks, which will give the

1 Immigration Judge time to schedule a status conference and for the government to report the results
2 of that status conference to this Court. On February 9, 2009, this Court signed the petitioner's
3 proposed order, directing the government to file a status report within six weeks of the Court's
4 order.

5 In light of the fact that the respondents to this action have not yet been properly served and that
6 the Court has directed the petitioner to file a status report within six weeks of February 9, 2009, the
7 petitioner respectfully asks this Court to vacate the case management conference scheduled for
8 February 25, 2009, as unnecessary.

10 Dated: February 19, 2009 Respectfully submitted,

JOSEPH P. RUSSONEILLO
United States Attorney
